

SUPPORT DIVERSITY HIRE A DIVERSITY INTERN THIS SUMMER

What is the Palm Beach County Bar Association's Diversity Internship Program?

- The program provides diverse law students with the opportunity to gain practical experience in the legal field and exposure to the Palm Beach County legal community at local law firms and government agencies.

Why Should Your Organization Participate?

- Your organization will be considered a *leader* in improving diversity in the Palm Beach County legal community.
- Companies and individual potential clients looking for legal counsel often value, if not require, diversity in the firms they hire.
- PBCBA will recognize your organization in the Bar Bulletin and other forums as having a commitment to Diversity by its participation in the Internship program.
