

IN THE CIRCUIT COURT OF THE FIFTEENTH JUDICIAL CIRCUIT  
IN AND FOR PALM BEACH COUNTY, FLORIDA

ADMINISTRATIVE ORDER NO. 2.312-10/22\*

IN RE: ELECTRONIC FILING OF DOCUMENTS

---

Florida Rule of Judicial Administration 2.520 requires all documents filed in any court to be filed by electronic transmission in accordance with Florida Rule of Judicial Administrative 2.525. In order to assist with the implementation of electronic filing in the Fifteenth Judicial Circuit, administrative procedures must also be implemented.

**NOW, THEREFORE,** pursuant to the authority conferred by Florida Rule of Judicial Administration 2.215, it is **ORDERED** as follows:

**A. ORIGINAL DOCUMENTS**

1. Except for those documents specified in paragraphs B, C, D and E below, when a rule, statute, or law requires an original document or a document containing an original signature to be maintained by the Clerk of Court in paper, such document will be filed or deposited with the Clerk of Court in accordance with the Florida Rules of Court.
2. Original documents also include any document for which an electronic signature has not been authorized by law or a document which requires a seal, raised embossment, or has a tactile requirement.
3. Other than those documents specified in paragraphs B, C, D and E below, a copy of an original document shall not be e-filed with the E-Filing Portal if the original is to be filed with the Clerk of Court. If the Clerk of Court is able to determine that a copy of the original document is erroneously e-filed, the Clerk of Court is to note in the docket which document is the paper filing and which document is the electronic filing.

**B. AFFIDAVITS**

1. Copies of affidavits shall be e-filed.
2. The e-filed copy is to show the full scripted signatures as reflected on the original affidavit.
3. The original affidavit need only be filed or deposited with the Clerk of Court if required by law, court order, or divisional instructions.
4. As a matter of best practices, the original affidavit should be maintained in the filer's possession for a minimum of one (1) year after final disposition and time for appeal of the case. E-filing a copy of an affidavit does not eliminate the potential need to present the original affidavit for evidentiary or record purposes.

**C. RETURNS OF SERVICE**

1. Copies of returns of service shall be e-filed.
2. The e-filed copy is to show the full scripted signatures as reflected on the original return of service.
3. The original return of service need only be filed or deposited with the Clerk of Court if required by law, court order, or divisional instructions.
4. As a matter of best practices, the return of service should be maintained in the filer's possession for a minimum of one (1) year after final disposition and time for appeal of the case. E-filing a copy of a return of service does not eliminate the potential need to present the original return of service for evidentiary or record purposes.

**D. VERIFIED DOCUMENTS**

1. Complaints and other pleadings, papers, or documents which are verified by an attorney, party, or person, are to be electronically filed and a paper copy shall not be filed with the Clerk except upon order of court or as required by the trial judge's divisional instructions.
2. Verified documents are to contain a full scripted signature and not an electronic signature such as /s, s/, or /s/.
3. The verified document need only be filed or deposited with the Clerk of Court if required by law, court order, or divisional instructions.
4. As a matter of best practices, the verified document should be maintained in the filer's possession for a minimum of one (1) year after final disposition and time for appeal of the case. E-filing a verified document does not eliminate the potential need to present the original document for evidentiary or record purposes.

**E. COURT ORDERED ORIGINAL PAPER FILINGS**

Judges may require additional original documents to be paper filed. The judge should set forth a listing of those documents in divisional instructions or in an applicable order.

**F. MEMORANDA OF LAW**

Memoranda of Law may be electronically filed. Courtesy Copies must be separately sent to the judge in accordance with the judge's divisional instructions. Memoranda of law shall not exceed the technical size limitations as set forth by the Florida Supreme Court and shall not exceed any page limitation as set forth by the divisional judge.

**G. PAPER AND ELECTRONIC COPIES**

1. The filer shall not provide the Clerk of Court with a paper copy unless otherwise required by rule, statute, or court order.

2. Other than an original paper document that is required by rule, statute, or order to be maintained in the court file, the Clerk of Court may follow Rule 2.525(c)(6), Florida Rules of Judicial Administration, with regard to the disposal of the paper document.
3. Electronic courtesy copies shall not be sent to the judicial offices except as provided for in the judicial officer's divisional instructions.

#### H. **NON CONFORMING DOCUMENTS**

1. **Integrity of Court Record:** The integrity of the court record is dependent on the quality of the documents received through the e-Filing Portal. Filers must ensure that documents e-filed are accurate, properly formatted, legible, and meet applicable e-filing portal standards. Documents must also be rotated in the proper orientation to allow images to be viewed as intended. Images that are not rotated to the proper orientation will result in documents displaying on the docket as sideways or upside-down.
2. **Correspondence:** Letters will not be made part of the court file unless ordered by the judge. The Clerk of Court may reject any correspondence that does not have a court order or instructions to permit the filing. This includes a Notice of Filing Correspondence. The Clerk of Court shall place the filing into the E-Filing Portal Pending Queue and notify the filer that the document is not being accepted for filing. After proper notice to the filer, the Clerk of Court shall follow the Florida Supreme Court Standards for Electronic Access to the Courts guidelines and place the filing in the Judicial Review Queue<sup>1</sup>.
3. **Proposed Orders/Proposed Judgments:** Proposed orders and proposed judgments are not to be electronically or paper filed with the Clerk of Court. This includes a Notice of Filing Proposed Order or Notice of Filing Proposed Judgment. If proposed orders, proposed judgments and other documents intended for entry by the court are submitted through the E-Filing Portal, the Clerk is directed to place the filing that contains those documents in the E-Filing Portal Pending Queue and notify the filer that the document is not being accepted for filing. After proper notice to the filer, the Clerk of Court shall follow the Florida Supreme Court Standards for Electronic Access to the Courts guidelines and place the filing in the Judicial Review Queue. In the event the proposed order or proposed judgment is attached to a motion, the Clerk will docket the filing as a motion and shall notate in the docket text that a proposed unsigned order or proposed unsigned judgment was attached.
4. **Wrong Jurisdiction/Invalid Case Number:** The Clerk of Court may reject documents that are e-filed in the wrong county or with an invalid case number. The Clerk of Court shall place the filing into the E-Filing Portal Pending Queue and notify the filer that the document is not being accepted for filing. After proper notice to the filer, the Clerk of Court shall follow the Florida Supreme Court Standards for Electronic Access to the Courts guidelines and place the filing in the Judicial Review Queue.
5. **Corrupted Documents** - Filings which are not accepted by the E-Filing Portal and/or the Clerk's Office for non-compatible settings (i.e. nonconforming DPI or failure to comply with

<sup>1</sup> The Judicial Review Queue is the repository for electronic filings that conflict with applicable rules and/or filing standards. Filings moved to this queue will not be placed on the court docket absent a court order.

submission standards) or which are unreadable will be placed in the E-Filing Portal Pending Queue. The Clerk of Court will notify the filer that the document is not being accepted for filing. If, after proper notice, the filer has not corrected the error, the Clerk of Court shall docket the nonconforming filing with the notation that the filing is "Nonconforming - Corrupted".

6. Final Disposition Forms: Form 1.998 requires the prevailing party, or the plaintiff if there is no prevailing party, to file a Final Disposition Form at the conclusion of the court proceeding. Final Disposition Forms filed prior to the conclusion of the matter will be placed into the E-Filing Portal Pending Queue and the Clerk will notify the filer that the document is not being accepted for filing. After proper notice to the filer, the Clerk of Court shall follow the Florida Supreme Court Standards for Electronic Access to the Courts guidelines and place the filing in the Judicial Review Queue.
7. Non-Compliant Documents: Electronically filed documents which do not comply with the Florida Rules of Judicial Administration, the Florida Supreme Court's Administrative Orders or this Administrative Order, and which have not already been addressed above, shall be placed in the E-Filing Portal Pending Queue and the Clerk will notify the filer that the document is not being accepted for filing. After proper notice to the filer, the Clerk of Court shall follow the Florida Supreme Court Standards for Electronic Access to the Courts guidelines and place the filing in the Judicial Review Queue.
8. Non-court related documents: The Clerk's Office is authorized to reject documents which from the face of the document are clearly misfiled (i.e. wrong case name and number) or not meant to be included as part of the court file (i.e. personal documents of the filer). The Clerk of Court shall place the document into the E-Filing Portal Pending Queue and notify the filer that the document is not being accepted for filing. After proper notice to the filer, the Clerk of Court shall follow the Florida Supreme Court Standards for Electronic Access to the Courts guidelines and place the filing in the Judicial Review Queue. If the filer intended to file the document, the filer can move the court to direct the Clerk of Court to accept the filing.
9. Batched Documents: A pleading or paper uploaded to the E-Filing Portal shall not be combined with another pleading or paper to form one document.<sup>2</sup> Each e-filed document must be submitted as a distinct item. Filings which are not accepted by the Clerk's Office as a result of multiple filings being "batched" together as one document, will be placed into the E-Filing Portal Pending Queue. The Clerk of Court will notify the filer that the filing was improperly batched. If, after proper notice, the filer has not corrected the error, the Clerk of Court shall docket the nonconforming filing with the notation that the filing is "Nonconforming - Batched Document". Only the title of the first document in the batch filing will be listed in the docket.
10. Duplicate Filings:
  - a. Electronic and Paper Filings: If the Clerk of Court is able to determine at the time of docketing that an electronic filing is a duplicate of a pleading or document that was

---

<sup>2</sup> For example, a Motion for Summary Judgment shall not be in the same document as the Notice of Hearing. However, documents and related exhibits, when those exhibits are referenced sequentially in the initial document may be combined for filing purposes to form one document. (For example, a Motion for Summary Judgment with Exhibits A – D.)

erroneously paper filed, the Clerk of Court will docket with the notation “Duplicate Filing”.

- b. Electronic Replacement Filings: If after the Clerk of Court notifies a filer that a filing was placed in the pending queue and the filer, rather than correcting the filing, files a replacement document, the Clerk of Court can move the filing from the pending queue to the Judicial Queue in accordance with the Florida Supreme Court Standards for Electronic Access to the Courts guidelines. If the filer intended to file the initial document in addition to the replacement document, the filer can move the court to direct the Clerk of Court to accept the filing.

#### **I. SIGNATURES**

- 1. Except as specified above, the placement by an attorney or party or interested person of a "/s" "s/" or "/s/" or the placement of an image of a signature on the signature line of an electronically filed paper shall be accepted as the signature and shall represent to the court that the filer is in possession of the originally executed document.
- 2. Signatures on verified pleadings and affidavits shall be in accordance with paragraphs B, C and D above.

#### **J. ENVELOPES** - Envelopes for service of orders and other documents shall be provided as follows:

- 1. Envelopes for Service by the Court. When mail service is required, envelopes for service of orders, with postage prepaid, shall be provided directly to the court with paper copies of the order to be conformed.
- 2. Envelopes for Service by the Clerk. When an attorney or party requests service of documents by the Clerk of Court, whether those documents are e-filed or filed in paper form, the attorney or party shall provide to the Clerk's Office postage pre-paid envelopes. If postage paid envelopes are not provided to the Clerk of Court for service, the Clerk of Court does not have to mail out the subject document. In such cases, the Clerk of Court will notate on the docket that service of the document did not occur due to failure of party to provide postage paid envelopes.

#### **K. MULTIPLE CASES**

If a single document is to be filed in two or more cases, the document must be submitted in a separate e-filing transaction for each case. If a document is e-filed with multiple case numbers, the Clerk of Court will only docket the pleading under the case number referenced in the e-Filing Portal.

#### **L. CONFIDENTIAL INFORMATION**

The Notice of Confidential Information, as required by Rule of Judicial Administration 2.420, must be a document separate from the pleading or paper containing the confidential information and must be uploaded and e-filed in the same transaction.

**M. EMERGENCY MOTIONS AND DOCUMENTS TREATED AS EMERGENCIES**

    - 1) If the Judicial Office utilizes a divisional email address, the Clerk's Office shall immediately scan and email the motion or document to the divisional judge through the Court Administration's divisional email address.
      - a) If the Clerk does not receive an electronic confirmation that the emergency filing was received by the judicial assistant or judge within three (3) hours or by the end of business, whichever occurs first, then the clerk shall personally contact the Judge's office to verify the Emergency Motion was received.
